

Bikini Lawsuit File  
Log of Calls--W. J. Gris

- 10/14 RR called to request that I not talk about the lawsuit with anyone and that if I happen to meet with the plaintiffs or George Allen to be cordial but shut up about the lawsuit or ERDA's position.
- 10/15 Injunction served to W.J. Stanley at PASO
- 10/16 RR requested that Ron Nolan contact me and come to PASO for a briefing about the lawsuit. Mr. Nolan is engaged in planning a film with Paramount Studio on the return of the people to Enewetak. RR feels that Mr. Nolan could inadvertently cause more problems with the Bikini situation, and PASO is to ask him to "slack off" on his movie plans.
- 10/17 RR mentioned that a meeting will be held in Judge King's chambers Nov. 1 and possible participants will be George Allen, the dri-Bikini, Leon Silverstrom, the US Attorney and RR.
